

## Northern Cape Province

### The Department of Forestry, Fisheries and the Environment

Cordial invites you to an integrated  
consultation with small-scale Fishers and  
Coastal communities,

The department will be engaging in aspects that are  
critical for the success of small-scale fishers and  
coastal communities

The engagements will cover topics on:  
Oceans Economy Master Plan (OEMP)  
Implementation plans on  
Small-scale fisheries,  
Marine Aquaculture and

Impacting Programmes which include  
Marine Protected Areas  
Marine Spatial planning  
Coastal access

The platform will also allow for engagement with  
OEMP other sectors which include  
Marine manufacturing and repairs  
Marine Transport (freight logistics and cargo)  
Offshore Oil and Gas
